

About Us

Regenerer is a medical grade cosmetic and aesthetic skin clinic, aiming to deliver optimal results in the delivery of beautiful dermal and aesthetic outcomes. Our clinicians include registered nurses & dermal therapists.

Opened in 2009, we pride ourselves on ensuring that all of your skin care needs and aesthetic requirements are addressed and managed in the most optimal manner.

WE ARE MEMBERS OF:

AHPRA - Australian Health Practitioner

ANF - Australian Nursing Federation

CPD Institute of Australia

Cosmetic Professional Institute of Australia.

We are dedicated to delivering optimal results and restoring, renewing and refreshing your skin. Our skin clinic in Moorabbin delivers the highest quality facial treatments to reduce the signs of ageing, and give younger-looking, radiant skin using the most up-to-date techniques and state-of-the-art cosmetic techniques and equipment.

The team of Regenerer will meet all of your skincare and beauty needs, and manage them to achieve the best possible outcomes. Regenerer offers non-surgical treatment options to help improve your skin and enhance your overall look.

We offer you a professional, unbiased assessment in a fantastic, discreet, friendly environment.
